Registration Fee (Per Team)  
**\$3,400**

**Team Name:** \_\_\_\_\_

**Corporate Sponsorship:**  Yes  No

**Corporate Sponsor (if yes):** \_\_\_\_\_

The **8-PERSON TEAM RELAY** consists of 4 participants competing each day as a 4-Person Team. You can, however, mix up the team among 4-8 total participants in any way you choose during the week as long as 4 participants are competing each day.

All rules in the Race Book apply to the 8-Person Team Relay in addition to the following:

1. The 4-Person Roster competing each day will need to be at the mandatory race meetings the day prior to each day they race.
2. A "Team Roster" will need to be given to the Race Director one day prior to each race day.
3. If a participant becomes injured and cannot continue to compete that day, the team will go down to a 3-Person Team for that day only. The team will then resume competition as a 4-Person Team the next day if the injured participant is able to compete or a new participant replaces the injured participant.
